## About us!

### Our story

At Breakmates, we believe that academic breaks should be more than just a pause from your studies; they should be opportunities for exploration, adventure, and connection. Our journey began with a simple idea: to create a platform that brings students and alumni from universities together to share incredible travel experiences during these breaks.

### Join Us Today

Ready to start your adventure with Breakmates? Join our community of explorers, connect with fellow students and alumni, and embark on unforgettable journeys during your academic breaks. Together, we'll create memories that last a lifetime.

## RSVP Implementation

### User's Profile RSVP Details

Status: The application is completed and is fully operational.

Easy part: The integration of middle ware and validations are straightforward and easy.

Challenges: Implementing authentication and sessions cookies are little bit change. Rewatching the module videos helped me overcome this complexity
